BAB III METODOLOGI PERANCANGAN KARYA .......................... 22
3.1 Metodologi Penelitian ............................................................ 22
3.2 Teknik Pengumpulan Data .................................................. 23
3.3 Teknik Analisa Data .............................................................. 26
3.4 Keyword ............................................................................... 28
3.5 Segmentasi ........................................................................... 29
3.6 Perancangan Karya ............................................................... 29
   3.6.1 Pra Produksi ................................................................. 30
   3.6.2 Produksi .................................................................... 33
   3.6.3 Pasca Produksi ............................................................. 35
3.7 Jadwal ................................................................................. 36
3.8 Anggaran ............................................................................. 36
3.9 Publikasi ............................................................................. 39

BAB IV IMPLEMENTASI KARYA ............................. 40
4.1 Produksi ............................................................................. 40
   4.1.1 Setting dan Lokasi ......................................................... 40
   4.1.2 Penentuan Lokasi .......................................................... 41
   4.1.3 Persiapan Alat ............................................................... 43
   4.1.4 Pengambilan Gambar .................................................... 43
4.2 Pasca Produksi ................................................................. 48
   4.2.1 Pemilihan Video ............................................................ 48
   4.2.2 Editing ....................................................................... 49
4.2.3 Render ................................................................. 50
4.2.4 Publikasi ............................................................... 52
BAB V PENUTUP ........................................................................ 55
5.1 Simpulan ................................................................. 56
5.2 Saran .............................................................................. 57
DAFTAR PUSTAKA ................................................................. 58
LAMPIRAN ........................................................................... 61
