KATA PENGANTAR ............................................................................................... x
DAFTAR ISI .............................................................................................................. xii
DAFTAR GAMBAR ................................................................................................. xvi
DAFTAR TABEL ....................................................................................................... xviii

BAB I PENDAHULUAN ......................................................................................... 1
1.1 Latar Belakang Masalah ................................................................................. 1
1.2 Rumusan Masalah ....................................................................................... 7
1.3 Batasan Masalah ......................................................................................... 7
1.4 Tujuan Penelitian ....................................................................................... 7
1.5 Manfaat ..................................................................................................... 8

BAB II TINJAUAN PUSTAKA .............................................................................. 9
2.1 Batik Surabaya ........................................................................................... 9
2.2 Perancangan ............................................................................................ 15
2.3 Produk Budaya Lokal ............................................................................. 16
2.4 Definisi Animasi .................................................................................... 15
2.5 Iklan ........................................................................................................ 17
2.6 Pemasaran ............................................................................................... 19
2.6.1 Pemasaran Terintegrasri ................................................................. 20
2.6.2 Pemasaran Internal ........................................................................ 20
2.6.3 Pemasaran Kinerja ...................................................................... 21
2.7 Layout ..................................................................................................... 21
2.8 Proporsi .................................................................................................. 25
2.9 Garis (line) .............................................................................................. 25
2.10 Warna ..................................................................................................... 26
2.11 Tipografi .................................................................................................. 30
2.12 Teori Analisis SWOT .......................................................................... 31
BAB III METODOLOGI DAN PERANCANGAN KARYA

3.1 Metodologi penelitian
3.2 Prosedur Perancangan
3.3 Teknik Pengumpulan Data
  3.3.1 Data dan Sumber Data
  2.3.2 Teknik Pengambilan Data
3.4 Analisis Data
  3.4.1 Metode Analisis Deskriptif-Kualitatif
  3.4.2 Hasil Wawancara
  3.4.3 Analisis Data Wawancara
  3.4.4 Studi Eksisting
3.5 Analisis SWOT
3.6 Segmentasi Batik Surabaya
  3.6.1 Segmentasi Pasar Batik Surabaya
  3.6.2 Segmentasi Perancangan Media Iklan
3.7 Analisis Batik Surabaya
  3.7.1 Positioning
  3.7.2 Keunggulan Batik Surabaya
  3.7.3 Keterbatasan Yang Dimiliki Batik Surabaya
  3.7.4 Peluang Yang Dimiliki Batik Surabaya
  3.7.5 Tantangan Yang Dihadapi Batik Surabaya
  3.7.6 Data Target Market
  3.7.7 Unique Selling Proposition
3.8 Keyword
3.9 Deskripsi Konsep
3.10 Konsep Perancangan
3.11 Perencanaan Kreatif
  3.11.1 Tujuan Kreatif
  3.11.2 Strategi Kreatif
3.11.3 Strategi Komunikasi ................................................................. 70
3.12 Media ....................................................................................... 78
3.13 Metode Pengujiann Hasil Karya ............................................. 83
  3.13.1 Skala Pengujuan Desain ....................................................... 83

BAB IV IMPLEMENTASI KARYA ........................................................ 85
  4.1 Elemen Desain .......................................................................... 85
    4.1.1 Visualisasi Konsep ............................................................... 85
    4.1.2 Visualisasi Figur ................................................................. 86
  4.2 Media Billboard ........................................................................ 88
    4.2.1 Alternatif Sketsa Media Billboard ..................................... 89
    4.2.2 Final Design Media Billboard ..................................... 90
  4.3 Media Surat Kabar ................................................................. 91
    4.3.1 Alternatif Sketsa Surat Kabar ........................................... 92
    4.3.2 Final Design Surat Kabar ................................................. 93
  4.4 Media Majalah ........................................................................ 94
    4.4.1 Alternatif Sketsa Majalah ................................................... 95
    4.4.2 Final Design Majalah ....................................................... 96
  4.5 Media Brosur ............................................................................ 98
    4.5.1 Alternatif Sketsa Brosur .................................................. 99
    4.5.2 Final Design Brosur ........................................................ 100
  4.6 Media Flyer ............................................................................. 102
    4.6.1 Alternatif Sketsa Flyer ..................................................... 103
    4.6.2 Final Design Flyer .......................................................... 104
  4.7 Media Poster ........................................................................... 106
    4.7.1 Alternatif Sketsa Poster .................................................. 107
    4.7.2 Final Design Poster ........................................................ 108
  4.9 Sosial Media ........................................................................... 110
  4.9. Implementasi Pengujuan Hasil Desain ............................... 111
    4.9.1 Desain dan Hasil Angket ............................................... 111
