Dear Editor in Chief,
We have processed a transfer of USD 400 to your designated bank account for publication fee of my paper in IJCNIS.
The payer name should be written as Yayasan Putra Bhakti Sentosa (i.e., Foundation of Institute of Business and Informatics Stikom Surabaya).
However, you should be aware that it may take sometime to process due to Inter-Country banks transfer.
I will attach the proof of payment once I got the copy of it.

Best regards
