

Abstract

Game animation can persuade its player because game can influence players mind and attitude (Harry J Brown, 2008) Because game can make players think more logic and critical to solve a problem at game. Game is a effective tools to educate the platyers. The main idea is about rarity of Javanesse Hawk Eagle because illegal hunting. Beside that, Javanese Hawk Eagle is protected because its similarity with Garuda (Government regulation no.41/1993 10 Januari 1993) Indonesian Republic's symbol. Game with Javanese Hawk Eagle rarity content is can be an effective tools to prevent Javanese Hawk Eagle to extinct.
